

My name is Vince Morgan,

EPL Tax Group purchased my tax firm that I've operated for 20+ years. This is a testimonial of the transparency and integrity of EPL Tax Group, LLC and Peter Ellefson. EPL has allowed me full access to verify all facts and figures to determine operation of the transition of my business has been successful.

EPL also did an excellent job of taking care of my clients. You want an honest transition and your clients to be taken care of, that is what EPL Tax Group has done for me.

EPL is very experienced in brokering the sale of tax practices and I would highly recommend them.

**Sincerely,**
